

“Mighty God Comes to Us”

Isaiah 9:6, John 1:1-14

The prophet Isaiah told us that this child would be born unto us and His name would be called Mighty God. What does that mean for us this day? John’s Gospel gives us some answers:

Mighty God = the Logos (Word)

Mighty God = the Light

Mighty God = only way to be a His children

Mighty God = became flesh and lived among us

For unto us a child a born = He is mighty God!
